

# ARASH OZVEAMINIAN

Back-End Developer

+98 (902) 2668233 | <https://github.com/ArashOzv> | arashozveaminian@gmail.com | Mashhad, Iran

## SUMMARY

As a self-educated back-end developer, I have a year of specific studies and practical applying experience. My love for programming and problem-solving enables quick adaptation to new technologies. Although I haven't had formal computer science training, I have become very knowledgeable through self-learning. I am happy to work as an intern or junior developer utilizing my knowledge solving complicated issues and propelling digital advancements forward.

## SKILLS

Django | Flask | REST (DRF) | Celery | RabbitMQ | Git | Docker | Python Telegram Bot
